at the Tampa Airport Marriott on August 4th.*

12:00 Noon – 1:00 PM

Attendee Luncheon

You are invited to attend a welcome luncheon sponsored by our friends at Sunz Insurance. This luncheon is a casual buffet. If you drop in before 12:30 you are welcome to have lunch and network with friends. This event is made possible by Sunz Insurance.

1:00 p.m. – 4:00 p.m.

Unemployment Compensation Reform

While FAPEO successfully delayed the implementation of the unemployment compensation employer contribution increase in 2010 and 2011 we only have the legislative session of 2011 to correct the system. Currently there are two committees working, one within the PEO industry and another among leading business trade associations developing solutions. Find out what's proposed and give your input on how to fix Florida's Unemployment Compensation system.

Federal Legislative Update

Get the essential insights PEOs must have recent health care reform legislation. There are many new developments as more Federal agencies move to implement the legislation and states interpret the law, you'll get the essential information you need to prepare your company today.

Legislative Report/Florida Elections Update

An provide an update on the legislation that impacted PEO as well as insight into the state-wide elections around the state and how they'll impact the PEO industry.

PEO Legal Issues Update

FAPEO General Counsel, Mike Miller will review the legal issues impacting the PEO industry. Over the last couple of months several issues have arisen in the state and federal areas that have a significant impact on your company. Mr. Miller will provide you with an update so you can prepare today to prevent unnecessary compliance challenges.

PEO Industry's Plans for Session 2011

A members only discussion on several critical legal and regulatory issues facing the PEO industry, seek member input and reach a consensus on the priorities of Florida's PEO industry.

The PEO industry within Florida must unite to prevent new harsh proposals from becoming law. This session focuses on building a consensus within the industry on the issues that are most important to our member companies.
